## Customer Proprietary Network Information (CPNI)

CPNI is information made available to us solely by virtue of our relationship with you that relates to the type, quantity, destination, technical configuration, location, and amount of use of the telecommunications and interconnected VoIP services you purchase from us, as well as related billing information. The protection of your information is important to us, and you have a right, and we have a duty, under federal law, to protect the confidentiality of your CPNI.

We may use and share your CPNI among our affiliates and agents to offer you services that are different from the services you currently purchase from us. Verizon offers a full range of services, such as television, telematics, high-speed Internet, video, and local and long distance services. Visit [Verizon.com](http://Verizon.com) for more information on our services and companies.

If you don't want your CPNI used for the marketing purposes described above, please notify us by phone any time at 800.333.9956 or online at [vzw.com/myprivacy](http://vzw.com/myprivacy).

Unless you notify us in one of these ways, we may use your CPNI as described above beginning 30 days after the first time we notify you of this CPNI policy. Your choice will remain valid until you notify us that you wish to change your selection. Your decision about use of your CPNI will not affect the provision of any services you currently have with us.

Note: This CPNI notice does not apply to residents of the state of Arizona.

## California - Questions About Your Bill?

Call Customer Service at 800.922.0204. Send written disputes to: Verizon, PO Box 408, Newark, NJ 07101-0408. If you are disputing a charge because you contend it was not authorized, and we need time to investigate the complaint, you are not required to pay the disputed amount while our investigation is pending. If you have a complaint you cannot resolve with us, submit a complaint to the California Public Utilities Commission at Consumer Affairs Branch, 505 Van Ness Ave. Rm. 2003, San Francisco, CA 94102, or at <http://www.cpuc.ca.gov/complaints>, or call 800.649.7570. If you have hearing or speaking limitations and need California Relay Service, dial 711 (visit <http://ddtp.cpuc.ca.gov/> for further information). If you need to contact your wireless phone insurance provider, call 888.881.2622.

## Explanation of Surcharges

Surcharges include (i) a Regulatory Charge (which helps defray various government charges we pay including government number administration and license fees); (ii) a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover charges imposed on us by the government to support universal service; and (iii) an Administrative Charge, which helps defray certain expenses we incur, including: charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers; fees and assessments on our network facilities and services; property taxes; and the costs we incur responding to regulatory obligations. **Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.**

## Bankruptcy Information

If you are or were in bankruptcy, this bill may include amounts for pre-bankruptcy charges. You should not pay pre-bankruptcy amounts; they are for your information only. In the event Verizon receives notice of a bankruptcy filing, pre-bankruptcy charges will be adjusted in future invoices. Mail bankruptcy-related correspondence to 500 Technology Drive, Suite 550, Weldon Spring, MO 63304.

## Late Payment Information

A late payment applies for unpaid balances. The charge is the greater of \$5 or 1.5% per month, or as permitted by law. Failure to pay bills on time may result in negative credit reporting.

## No-cost Feature Information

If your service plan includes an optional, no-cost feature (for example, some plans include a no-cost Apple Music option), electing this feature may affect the taxes, governmental fees, and governmental surcharges that we bill and collect, even though your service plan price does not change.

## FUSC Change

The Federal Universal Service Charge (FUSC) is a Verizon Wireless charge that is subject to change each calendar quarter based on contribution rates prescribed by the FCC. On January 1, the FUSC decreased to 5.67% percent of assessable wireless charges, other than separately billed interstate and international telecom charges. The FUSC on separately billed interstate and international telecom charges decreased to 19.6% percent. For more details, please call 1-888-684-1888.
