## Understand your bill

### Understand "Changes this month"

These changes are why your amount due is different than last month. For example, if you changed your plan or added a line, you'll see partial-month charges reflected in this table. The table will not display if you have no changes.

### Surcharges

These cover the costs that are billed to us by federal, state or local governments so we can continue to provide you with the best service. See the full breakdown on [go.vzw.com/mybill](http://go.vzw.com/mybill).

### Taxes and gov fees

We are required by law to collect these charges, which are based on your service address. You can update your service address on [go.vzw.com/changeaddress](http://go.vzw.com/changeaddress).

### Late fee

You'll be charged a late fee when you don't pay your bill on time. The amount is the greater of \$5 or 1.5% of the unpaid balance, or as allowed by law in the state of your billing address.

## Advertising Programs Privacy Notice

Your privacy is an important priority at Verizon, and our privacy policy describes the information we collect and how we use it.

We provide this notice to tell you how Verizon and Oath use certain customer information for two purposes: (1) to make the advertising you see more personalized and (2) to create business and marketing insights.

If you do not want Verizon to use your information for these purposes, you can opt out using the options described below in the "Your choices" section.

### 1. Relevant Mobile Advertising

Verizon companies offer a wide variety of free Services that are made possible by advertising. The best advertising is for something you might actually want, and that is what we want to give you. The Relevant Mobile Advertising program uses certain customer information to help make the ads you see more interesting and useful. This program shares information with Oath, a Verizon company formed by the combination of Yahoo and AOL.

#### What information is used?

The Relevant Mobile Advertising program uses your postal and email addresses, certain information about your Verizon products and services (such as device type), and information we get from other companies (such as gender, age range, and interests). This information may be combined with information collected by Oath from devices you use to access Oath services and visit third-party websites and apps that include Oath advertising services (such as Web browsing, app usage, and location), as well as information we obtain from third-party partners and advertisers.

We do not share information that identifies you personally as part of this program other than with vendors and partners who do work for us. We require that these vendors and partners protect the information and use it only for the services they are providing us.

## How does this advertising program work?

The programs use online and device identifiers, including browser cookies, ad IDs from Apple and Google, and one created by Verizon, known as a Unique Identifier Header or UIDH. Unless you opt out of the Relevant Mobile Advertising program and have not opted in to the separate Verizon Selects program, a UIDH is included in the address information of internet requests going to Verizon companies (including Oath). With your opt in consent, for example when you opt in to Verizon Selects, the UIDH may also be shared with partners who help us provide advertising services. Verizon partners are authorized to use the Verizon identifier only as part of Verizon and Oath services. We use these identifiers to help make our advertising programs better by, for example:

- Linking Verizon advertising program information to information that Oath has, to provide more personalized advertising
- Serving ads to customers in apps and web browsers that do not use common advertising identifiers
- Helping to determine that different devices have the same user so that Oath can deliver better advertising in more places

### 2. Business and Marketing Insights

Verizon and Oath use information we have about you to create aggregate business and marketing insights. The information used for this program and the insights we develop do not identify individuals. Business and marketing insights help provide a better understanding of consumer actions in aggregate. For example, a company could find it valuable to understand the number of customers in different age groups who visited a website, used an app, or visited a retail store or stadium.

Verizon may share location information that does not identify you personally with other companies to allow them to produce additional aggregate insights. For example, de-identified location information we provide could be combined with similar information provided by others to create traffic reports.

#### What information is used?

The Business and Marketing Insights program uses Verizon information about how you use your mobile device (such as web browsing, device location, and app/feature use), certain information about your Verizon products and services (such as device type), and demographic and interest information you provide or we obtain from other companies (such as gender, age range, and interests). The program also uses information Oath has about your use of services (such as email, search, sites and apps) and visits to third-party websites and apps that include Oath services (such as web browsing, app usage and location), as well as information that Oath obtain from third-party partners. The program may also use information other companies share with us to better understand insights related to their own businesses.

## Your choices

If you don't want to participate in these programs, you don't have to. You can opt out of the Relevant Mobile Advertising and Business and Marketing Insights programs at your privacy choices page in MyVerizon or by calling 866.211.0874. Please note, if you agree to participate in the Verizon Selects advertising program, you will also be part of the Relevant Mobile Advertising and Business and Marketing Insights programs independent of your choice here. You also have choices about how Oath uses information for advertising purposes. Please note that using browser controls such as clearing cookies on your devices or clearing your browser history is not an effective way to opt out of the Verizon or Oath advertising programs.

## Customer Proprietary Network Information (CPNI)

CPNI is information made available to us solely by virtue of our relationship with you that relates to the type, quantity, destination, technical configuration, location, and amount of use of the telecommunications and interconnected VoIP services you purchase from us, as well as related billing information. The protection of your information is important to us, and you have a right, and we have a duty, under federal law, to protect the confidentiality of your CPNI.

We may use and share your CPNI among our affiliates and agents to offer you services that are different from the services you currently purchase from us. Verizon offers a full range of services, such as television, telematics, high-speed Internet, video, and local and long distance services. Visit [Verizon.com](http://Verizon.com) for more information on our services and companies.

If you don't want your CPNI used for the marketing purposes described above, please notify us by phone any time at 800.333.9956 or online at [vzw.com/myprivacy](http://vzw.com/myprivacy).

Unless you notify us in one of these ways, we may use your CPNI as described above beginning 30 days after the first time we notify you of this CPNI policy. Your choice will remain valid until you notify us that you wish to change your selection. Your decision about use of your CPNI will not affect the provision of any services you currently have with us.

Note: This CPNI notice does not apply to residents of the state of Arizona.

## Explanation of Surcharges

Surcharges include (i) a Regulatory Charge (which helps defray various government charges we pay including government number administration and license fees); (ii) a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover charges imposed on us by the government to support universal service; and (iii) an Administrative Charge, which helps defray certain expenses we incur, including: charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers; fees and assessments on our network facilities and services; property taxes; and the costs we incur responding to regulatory obligations. **Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.**

## Bankruptcy Information

If you are or were in bankruptcy, this bill may include amounts for pre-bankruptcy charges. You should not pay pre-bankruptcy amounts; they are for your information only. In the event Verizon receives notice of a bankruptcy filing, pre-bankruptcy charges will be adjusted in future invoices. Mail bankruptcy-related correspondence to 500 Technology Drive, Suite 550, Weldon Spring, MO 63304.

## Late Payment Information

A late payment applies for unpaid balances. The charge is the greater of \$5 or 1.5% per month, or as permitted by law. Failure to pay bills on time may result in negative credit reporting.

## No-cost Feature Information

If your service plan includes an optional, no-cost feature (for example, some plans include a no-cost Apple Music option), electing this feature may affect the taxes, governmental fees, and governmental surcharges that we bill and collect, even though your service plan price does not change.

## Your Monthly Bill Credit Has Been Applied

A 1 month device promotional credit has been applied to your bill for each device that's eligible. You will continue to receive device promotional credits for the remaining 23 months of your device payment agreement. However, if you choose to pay off the device before your 24 month agreement, you will no longer receive the device promotional credits. (Your eligible line(s): 512.647.0762).
