IMPORTANT INFORMATION RELATING TO YOUR SPRINT BILL

Billing, Late Payment and Other Information

Full call detail is available online. Payments are due as shown on your invoice to avoid service suspension or disconnection. We will assess a late payment charge if your payment is late. Sprint may charge you for any returned checks (up to \$40). Certain charges accrued during one billing period may be delayed and appear on a later invoice. **We keep credit and debit card information on file and will charge your cards for all delinquent amounts you owe us. You may incur overdraft fees from your financial institution if applicable. Please see your agreements for more details.**

Disputes - You must dispute a charge within 60 days from receiving your invoice or we will consider the charge accepted and due.

Your privacy - Protect against unauthorized account access by using a Personal Identification Number (PIN) to identify yourself when calling Care or visiting a retail store. Enhanced 911 (E911) - services provide public safety officials with your location during a 911 call. E911 services are not available everywhere and at all times. E911 availability depends on many factors, including the ability of local public safety agencies to receive and process location information, your equipment's capabilities and other factors impacting service delivery.
