Additional information

Customer Proprietary Network Information (CPNI)

CPNI is information made available to us solely by virtue of our relationship with you that relates to the type, quantity, destination, technical configuration, location, and amount of use of the telecommunications and interconnected VoIP services you purchase from us, as well as related billing information. The protection of your information is important to us, and you have a right, and we have a duty, under federal law, to protect the confidentiality of your CPNI.

We may use and share your CPNI among our affiliates and agents to offer you services that are different from the services you currently purchase from us. Verizon offers a full range of services, such as television, telematics, high-speed Internet, video, and local and long distance services. Visit Verizon.com for more information on our services and companies.

If you don't want your CPNI used for the marketing purposes described above, please notify us by phone any time at 800.333.9956 or online at vzw.com/myprivacy.

Unless you notify us in one of these ways, we may use your CPNI as described above beginning 30 days after the first time we notify you of this CPNI policy. Your choice will remain valid until you notify us that you wish to change your selection. Your decision about use of your CPNI will not affect the provision of any services you currently have with us.

Note: This CPNI notice does not apply to residents of the state of Arizona.

Explanation of Surcharges

Surcharges include (i) a Regulatory Charge (which helps defray various government charges we pay including government number administration and license fees); (ii) a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover charges imposed on us by the government to support universal service; and (iii) an Administrative Charge, which helps defray certain expenses we incur, including: charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers; fees and assessments on our network facilities and services; property taxes; and the costs we incur responding to regulatory obligations. **Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.**

Bankruptcy Information

If you are or were in bankruptcy, this bill may include amounts for pre-bankruptcy charges. You should not pay pre-bankruptcy amounts; they are for your information only. In the event Verizon receives notice of a bankruptcy filing, pre-bankruptcy charges will be adjusted in future invoices. Mail bankruptcy-related correspondence to 500 Technology Drive, Suite 550, Weldon Spring, MO 63304.

Late Payment Information

A late payment applies for unpaid balances. The charge is the greater of \$5 or 1.5% per month, or as permitted by law. Failure to pay bills on time may result in negative credit reporting.

No-cost Feature Information

If your service plan includes an optional, no-cost feature (for example, some plans include a no-cost Apple Music option), electing this feature may affect the taxes, governmental fees, and governmental surcharges that we bill and collect, even though your service plan price does not change.

Notice of Administrative Charge Increase

Effective August 5, 2020, the monthly Verizon Wireless Administrative Charge for voice-capable devices will increase from \$1.78 to \$1.95 per line. The charge for data-only devices remains \$0.06. The increased charge will appear on your next bill. For further information regarding this charge, review the "Additional Information" page of this bill, or consult your customer agreement at www.verizonwireless.com/customeragreement.

Important Information Regarding Your Customer Agreement

Verizon Wireless has updated parts of your Customer Agreement. In the "My Service" section we described where prepaid customers can find more information about permitted and prohibited uses of calling and Data Services. In the "My Privacy" section we further defined the information we collect, use, and share, and your ability to limit certain ways we use information. In the "Your Mobile Number and Porting" section we clarified that a disconnected mobile telephone number may not be able to be recovered. In the "Can I have someone else manage my Postpay account" section we further defined the actions that an Account Manager may take on behalf of an Account Owner. In the "Internet Access" section we described where you can find more information about content filtering and how you can block materials harmful to minors. In the "About this Agreement" section, we clarified that the no waiver provision is bilateral.
